

GOLD

BENEFITS

The Gold Program is a Listed Component Comprehensive Coverage, which covers:

ENGINE: Crankshaft and bearings, Oil pump, internal timing gears, timing chain camshaft, camshaft bearings, valve lifters, rocker arm assemblies and push rods, pistons and rings, wrist pins, cylinders, connecting rods, distributor drive gear, all internal components of engine block and cylinder heads, if damage is caused by mechanical failure of an internally lubricated part. Gaskets and external seals will be covered if their replacement is necessary to complete an otherwise authorized repair. Broken crankshaft is covered if break is caused by either bearings or piston failure. Valve guides are covered only when guide sleeves have not slipped below original position.

TRANSMISSION: The internal components of the automatic transmission or manual transmission, drive chain, drive chain gears, carrier bearings, internal transaxle seal. The manual transmission case and automatic transmission case and torque converter are covered if damaged by the failure of internally lubricated parts.

DIFFERENTIAL ASSEMBLY (front and rear): Differential Housing including pinion bearings, side carrier bearings, ring and pinion gears, carrier assembly, washers, axles, axle bearings.

TIMING BELT: If contract holder has followed manufacturer's recommended maintenance intervals for replacement.

CV-JOINTS: CV boots must not be torn at the time of failure. Lubricated joint failure only. Universal Joint is not included.

STEERING: Internally lubricated parts contained within the steering box and pump housing, including rack and pinion, control valves, internal oil control seals, bearings, and shafts, steering box and pump housings if damaged by the failure of internally lubricated parts.

ELECTRICAL: Alternator, Starter Motor, Front Wiper Motor, Cooling Fan Motor, Heater Blower Motor, Electric Horn, Clock, Switches for the Following: Neutral Safety, Overdrive, Reverse Indicator, Power Windows, Power Door Locks.

SEALS AND GASKETS: Head gasket and intake manifold gaskets are covered for coolant leaks only on vehicles up to 100,000 miles.

The Gold Program also receives the following benefits:

24 HOUR ROADSIDE ASSISTANCE: Includes, but is not limited to: lock out service, battery assist, tow service and road assistance.

TOWING ASSISTANCE: To the destination of Member's choice.

FLAT TIRE ASSISTANCE: Service consists of removal of the flat tire and its replacement with the spare tire.

FUEL, OIL, FLUID AND WATER DELIVERY SERVICE: An emergency supply of fuel, oil, fluid, and water will be delivered if you are in immediate need.

LOCK-OUT ASSISTANCE: If your keys are locked inside the covered vehicle, assistance will be provided to supply assistance in gaining entry into the covered vehicle.

JUMP START: If battery failure occurs, a jump start will be provided to you to start your covered vehicle.

LOCKSMITH: To gain access to vehicle.

SUBSTITUTE TRANSPORTATION: Should your covered vehicle become inoperable due to the breakdown of a part (not excluded), upon authorization, payment will be provided to reimburse you for actual expenses incurred when renting a vehicle from a licensed car rental agency.

LODGING REIMBURSEMENT: Reimburse the contract holder for motel and restaurant expenses up to \$75 per day for a maximum of \$300 in the event of a breakdown covered by the contract.

SEALS AND GASKETS: Head gasket intake manifold gaskets are covered for coolant leaks only on vehicles up to 100,000 miles.

AIR CONDITIONING: Compressor, however if the damaged or malfunctioning compressor causes damage to the expansion valve, or receiver dryer, the damaged component(s) will be replaced. Coverage applies to factory installed, non-retrofitted units only.

COOLING SYSTEM: Water pump, thermostat, mixture control valve, overflow reservoir.

FUEL SYSTEM: Fuel pump, pressure regulator, metering valve, fuel injectors, vacuum pump, metal fuel delivery lines, fuel tank, fuel sender.

TURBO CHARGER/SUPERCHARGER: All internally lubricated parts due to mechanical failure.

BRAKE SYSTEM: Master cylinder, wheel cylinders, disc brake calipers, ABS master cylinder, vacuum booster, pressure modulator valve, isolation dump valve, accumulator, wheel speed sensors.
